Referees

Available upon request.

Great. Your CV contains most of the important keywords and hard skills we found in the job description.

This means your CV is well targeted and relevant to the job you're applying for. This increases your chances of getting an interview.

Q MISSING KEYWORDS

We found the following keywords and skills in the job description, but not on your CV. If you have these skills, add them into your CV to increase your relevancy score (e.g. in your work experience or skills section).

View the highlighted words on the right to understand the context. Avoid adding in skills you don't have.
